

# Heartland Campus Solutions Laundry Controller

**Convenience and security in today's modern laundry rooms.**

Heartland Campus Solutions' laundry controller can increase your laundry sales and add convenience and security to your laundry rooms by eliminating the need for large amounts of change. Laundry controllers enable the cardholders to purchase laundry services with their GSB card or tag, therefore reducing coin collection to a minimum. The results are improved profits through increased laundry usage, decreased shrinkage and ease of settlement from machines.

CAMPUS SOLUTIONS<sup>SM</sup>

# Laundry Controllers

## Benefits & Advantages

### Secure and Convenient

- Increase sales through loyalty programs, specials and more
- Eliminate losses due to theft and vandalism
- Improve efficiency through on-line collection and lower maintenance costs

### Superior Versatility

- Accommodates almost any size laundry room from single machine to multi-unit facilities (1-32 devices)
- Compatible with virtually all commercial laundry equipment

## Multi-Unit Controller

Heartland Campus Solutions's laundry controller is engineered to be scalable and cost effective for rooms operating eight machines or more. Multi-unit controllers provide a high level of efficiency as only one unit is required for up to 32 machines and collection of data is simplified through on-line interface. Heartland Campus Solutions' multi-unit controllers are compatible with virtually all commercial laundry equipment

## Technical Characteristics

Type	Multiple Machine Laundry Controller
Laundry Machine	Standard configuration controls and monitors up to 32 machines
Dimensions	11 1/8 W x 6 1/2 D x 11 1/8 H
Weight	9 lbs
Keypad	14 key
Power Requirements	120 VAC 50/60 Hz
Mounting Location	Wall
Wiring Connections	4 one inch knockouts
Security	Tubular key lock
